Class Highlights

This week staff from RAF Boulmer came and talked to us about how to be safe when walking by roads, and gave us all a reflective snapband. KS2 children spent a morning learning about the importance of water conservation from Surfers against Sewage in an online live assembly. We all also had great fun in the snow!

Starfish Class

The highlight of our week was the snow! We had such fun building a snowman. We have also been using the book 'Giraffes can't Dance' this week and have been learning about the story.

Puffin Class

In computing we have been using a paint program to create different pictures. In RE we have been learning about the meaning of the different candles in the Advent Ring and in history we have begun learning about the Great Fire of London..

Seal Class

We have been learning about how the pyramids may have been built in history. We have also been exploring the basics of a classification system in science.

Orca Class

In French we have been learning new vocabulary about different rooms in a house. In RE we have investigated some Jewish festivals and why they are important to the Jewish faith.

Important Info

Staff Illness

Please be aware that Miss Scott is currently off school as she is unwell. We will be supported by Mrs Clarehugh in Seal Class from Tuesday 26 November.
